KRATOR[®]

3-piece Speaker system with earth-shattering Bass

N4-21035 is the latest 3-piece speaker system with 35 watts RMS audio output from KRATOR.

Modern elegant design let this fabulous system fit perfectly with your style. With the breathtaking subwoofer pushing stupendous explosion bass, the 4-inch subwoofer unit driver delivers enormous sound. Satellites featuring 1-inch Mylar deliver crystal highs. The 3-inch Fiber unit driver provides warm bass and good resonance; Fiber is a material of better extensibility than regular paper used in unit driver. The driver edge is skillfully made of good tenacity, which makes output more powerful when drum beat comes.

Exceptional sound dispersion: the down-firing design of subwoofer outputs sounds in all directions, creating the enveloping sound effect beautifully.

Enjoy music easily anytime: a 3.5mm audio cable is connected to your MP3, iPod, iPhone and game console. Volume, Bass, Treble adjustable knobs give maximum convenience at your fingertips.

There is an extra headphone jack. N4-21035 is your best choice for computer and living place. For more product information, please contact with your sales representative.
