

WMK-801

2.4GHz Wireless Keyboard & Optical Mouse Combo

WMK-801 2.4GHz wireless desktop keyboard and mouse combo with USB Nano receiver is easy to set up for any office or home PC. The full size keyboard offers a spill-proof design that drains liquid out of the keyboard. The 3-button USB full-size mouse delivers fast response and precision optical tracking for all your applications. The scroll wheel makes it easy to navigate. The cost effective wireless keyboard and mouse is easy to use, simply plug and play. No driver is required.
