Broaden Partnerships with International KOLs to Amplify COMPUTEX's Global Impact

- ▶ We get to experience first-hand only at this place, so even before launch if you want to try out these sorts of products, COMPUTEX is the spot for you.
- ▶ I love the way that COMPUTEX shows the people that' s how this world is changing with AI.
- ▶ There' s a little bit of something for everybody and it' s all here at COMPUTEX.
- ▶ I do like that COMPUTEX every year has been upping their level. They' ve been bringing a lot of new tech, a lot of disruption to the industry and that to me is just brilliant.
